You name it, and we got you covered with our experienced in-house design team. Share your unique profile through URL Links, QR codes or NFC cards.

## WHY DIGITAL?

---

With the growth of digitalization and technology, the world is changing at an exponential rate. Almost everything we do in our daily lives is simplified by technological advancements. With the Covid-19 pandemic, we get to experience and understand the importance of technology and the digital world while being cooped up at home.

# WHY **DIGITAL?**

## **Eco-friendly**

Help save the earth by reducing the number of trees being chopped down.

## **100% Contactless**

Share your digital card without any physical interaction.

## **Customizable**

Allow more customization of colours, designs and templates.

## **More Information**

Permit unlimited images, videos and hyperlinks to website.

## **Save Money**

Allow unlimited sharing of cards and easy editing of information.

## **Availability**

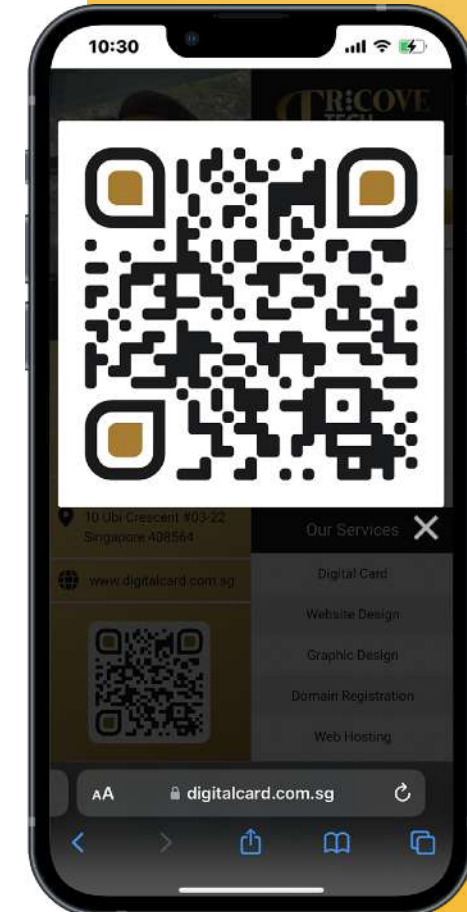

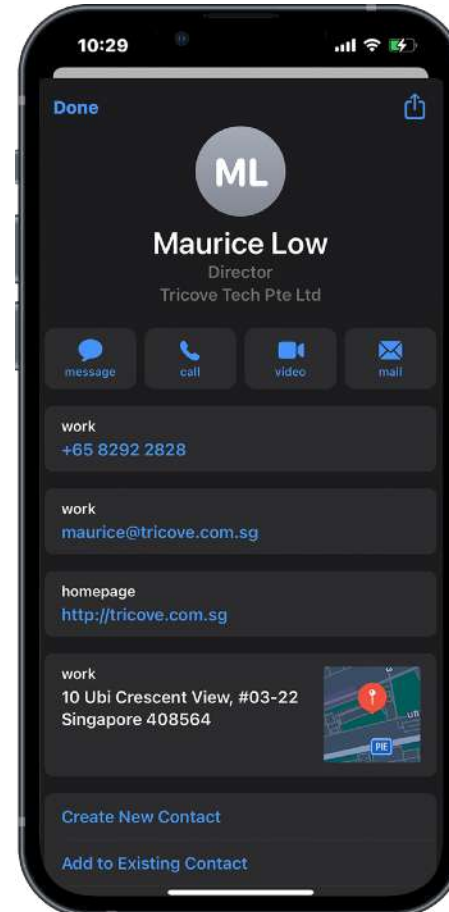

Never forget or run out of cards again.  
Accessible worldwide with internet.
