The GOAL Sponsorship Scheme

To: My Special Child

This gift is just as special as you. It is made possible by a caring community who believes just as much as we do, that you have a future and that your quality of life should be maintained as long as possible even when we are no longer around.

Therefore, take heart and be encouraged, for there are many who care deeply and give generously. Because of this support, we too will press on to bring you the security and assurance that we can provide.

From: Mom and Dad

We are a not-for-profit trust company with Charity and Institution of Public Character (IPC) status, supported by the Ministry of Social and Family Development (MSF).

Why GOAL?

The reasons below call for more monies for long-term care:

Advances in healthcare

Outlives caregiver

Longer life expectancies

GOAL's purpose is to give **hope**.

If they follow a plan, families can be empowered to:

save money

provide for their special needs child

What is GOAL?

GOAL is a sponsorship scheme. Purchase a S\$100,000 term policy and its proceeds can be paid into child's SNTC trust account upon demise of the insured parent.

#01 It sponsors the initial S\$5,000 set-up deposit.

#02 The parent follows a plan to top-up the trust account in order to receive matching top-up donations, up to S\$5,000. These funds are used to pay the premium of Great Eastern Cares Term Plan on the insured parent. *

How to qualify?

The child meets SNTC's definition of "a person with special needs" as approved by the Public Trustee's Office, Singapore;

No ownership of any private property;

Each child can only be sponsored once;

Parent must obtain a Great Eastern Cares Term Plan and nominate it to the child's SNTC trust account**, and commit to a minimum top-up schedule to co-pay the premiums.

Household per capita income not more than S\$1,900 per month;

Why SNTC?
